PAPER

11192003

DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on 02 June 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Amended claims do not contain a correct parenthetical expression identifying which amendment this represents for a particular claim. In particular, the amendment contains the expression "Claim 1 (amended)," which suggests that this is the first amendment to claim 1. A review of the record finds amendments to claim 1 on at least two prior occasions (September 7, 2001 and February 22, 2002). Applicant is asked to carefully review the record and provide correct identification for all claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bradley L. Sisson whose telephone number is (703) 308-3978. The examiner can normally be reached on Monday through Thursday from between the hours of 6:30 a.m. to 5 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, W. Gary Jones, can be reached on (703) 308-1152. The fax phone number for the organization where this application or proceeding is assigned is (703) 305-7230.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-1234.

Bradley L. Sisson  
Primary Examiner
